Query: If the steel trust sells its products cheaper to foreigners than to home consumers, who is the actual beneficiary of the American protective system? The foreigner or the home consumer?

Morgan Crowd Wanted Hughes.

In a recent speech in New York, George W. Perkins, late partner of J. P. Morgan said that Gov. Hughes was put forward in 1908 by Wall street to represent the Republican party's position on the trusts question, and that Gov. Hughes, in his speech at Youngstown, Ohio, construed the Republican promise to amend the Anti-Trust law as follows:

In our progress we must avoid false steps. Ours must be the rule of reason," etc.

Congress refused to legalize "reasonable" or any other kind of monopolies, so Gov. Hughes was put on the Supreme bench and helped twist the law to make it conform to the trust idea of what the Republican promise meant.

Add to Mr. Perkins' significant remark, the further fact that Hughes bitterly opposed an income tax, and his qualifications as the Taft choice for the Supreme bench become readily apparent.

Soft For Beef Trust.

Ed C. Lasater, president of the Texas Cattle Raisers' association, says that 300 per cent profit disappears somewhere between the producers and consumers of beef; that prices paid producers are decreasing, while prices extorted from consumers are going up. He proposed to find out who gets these fat profits. No confidence is violated in the statement that he suspects the beef trust.

Some Lexington People Have Learned That Neglect is Dangerous.

The slightest symptom of kidney trouble is far too serious to be overlooked. It's the small neglected troubles that lead to serious kidney ailments. That pain in the "small" of your back; that urinary irregularity; those headaches and dizzy spells; that weak, weary, worn-out feeling, may be nature's warning of dropsy, or fatal Bright's disease. Why risk your life by neglecting these symptoms? Reach the cause of the trouble while there yet is time—begin treating your kidneys at once with a tried and proven kidney remedy. No need to experiment—Doan's Kidney Pills have been curing kidney trouble for over 75 years. Doan's Kidney Pills are used and recommended throughout the civilized world. Endorsed at home. Read Lexington testimony.

W. D. Rice, farmer, Richmond, Mo., says: "Doan's Kidney Pills are the best remedy for the back and kidneys that I have ever had in my home. I had a great deal of trouble from my kidneys and my back ached constantly. Pains often extended from my loins into my shoulders and my back was very stiff. Having my attention called to Doan's Kidney Pills, I procured a supply and short use restored me to good health."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

BALLARD'S SNOW LINIMENT

IS A PAIN RELIEF OF GREAT EFFICACY.

Its wonderful penetrating power affords a most gratifying sense of relief to the afflicted. It eases pain quickly, subdues all inflammatory conditions and rapidly restores strength and comfort in the aching joints. It is equally effective in relieving neuralgia and sciatica. Rub it in well, gently but thoroughly; its healing and strengthening influence is manifest as soon as it reaches the nerves at the seat of the disturbance. A few applications controls the disorder and restores normal conditions. As a household remedy for curing cuts, wounds, burns, sores or the hundred and one accidents that are always occurring to the flesh, it has no superior.
